CAVATORTA, Liliana and Gianluca ROSSO (Osservatorio Reputational and Emerging Risk, UnipolSai, Bologna, Italy), ***Managing Emerging Risks in strategic scenarios of uncertainty and complexity: A Theoretical Framework.***

KURKI, Sofi (Finland Futures Research Centre, University of Turku), ***Embedded anticipation in self-managed organisations***

S5 ANTICIPATION AND LAW – Meeting room (Sala riunioni) 2° floor

Chair: Carlos Alvarez-Pereira (President, Innaxis Research Institute, Spain)

BROWN, Kerry (Edith Cowan University, Perth, Australia) et al., ***Anticipation and Decision-making in International Negotiation Simulations***

GORDILHO, Heron (Associated Professor at the Universidade Federal da Bahia and Universidade Católica de Salvador), ***Stare Decis and Animal Cruelty in Brazil***

DE OLIVEIRA FILHO, João Glicério (University of Bahia), ***Anticipation in the Corporate Law: corporate compliance and the future of organizations***

FRIDAY, APRIL 7

Chair: Winston Nagan (Chairman of the Board, WAAS)

09.00 – 10.30 SPECIAL SESSION (Kessler room)

The UNESCO Chairs in Anticipatory Systems

Riel Miller (Paris, UNESCO Headquarter), *The UNESCO Chairs in Anticipatory Systems and the Role of Futures Literacy*

Markku Wilenius (University of Turku), *Understanding Economic and Social Macro-Waves*

10.30 – 11.00 COFFEE BREAK (Hall)

Chair: Winston Nagan (Chairman of the Board, WAAS)

11.00 – 12.30 SPECIAL SESSION (Kessler room)

The UNESCO Chairs in Anticipatory Systems

Roberto Poli (University of Trento), *Pragmatic Utopias*

12.30 – 14.00 LUNCH (Hall)

14.00 – 16.00 PARALLEL SESSION

S6 MEETING OF THE ITALIAN FUTURISTS (A) – Kessler room

S7 CREATING RESILIENT COMMUNITIES – Sala professori 1° floor

Chair: Raoul A. Weiler (University of Leuven)

HEINONEN, Sirkka and Joni KARJALAINEN (Finland Futures Research Centre, University of Turku), ***Pioneer Analysis as Tool for Anticipation of Futures Agency – Case of Surprising Energy Futures***

CAIATI, Giovanni e Gabriele QUINTI (Knowledge and Innovation – K&I), ***Energy transition, anticipation and change. A study on the anticipatory experiences of the low carbon society***

FANZINI, Daniele and Irina ROTARU (Department of architecture, built environment and construction engineering, Politecnico di Milano), ***Anticipation in Built Environment Design & Management***

16.00 – 16.30 COFFEE BREAK (Hall)

16.30 – 18.30 PARALLEL SESSIONS

S8 MEETING OF THE ITALIAN FUTURISTS (A) – Kessler room

S9 COMPLEXITY – Sala professori 1° floor

Chair: Seshadri R. Velamoor (Foundation For the Future)

ALVAREZ-PEREIRA, Carlos (President, Innaxis Research Institute, Spain), ***The interplay between Science and Technology: in urgent need of complex anticipatory systems***

BENATI, Stefano (Department of Sociology, University of Trento),
Anticipatory Scenarios and Optimal Decision Making

WEILER, Raoul A. (University of Leuven), ***Food Scarcity Unavoidable
by 2100?***

S10 WELL-BEING – Meeting room (Sala riunioni) 2° floor

Chair: Robert Zaborowski (University of Warmia and Mazury, Poland)

HUSSAIN, Nasir (Medicines and Healthcare Products Regulatory Agency, Department of Health, London) and Sandeep NIJJER (QuintilesIMS), ***Can elements from Problem Structuring Methods anticipate and manage uncertainties associated with future scenarios?***

CASALI BAHIA, Saulo José (Federal University of Bahia – UFBA),
Values and Anticipation for the Elderly and Migrants

SATURDAY, APRIL 8

09.00 – 10.30 PARALLEL SESSIONS

S11 TIME AND VALUES – Sala professori 1° floor

Chair: Piero Dominici (Department of Political Science, University of Perugia)

PAURA, Roberto (Italian Institute for the Future, Napoli), ***The notion of “existential risk” as a framework for the anticipation of technoscientific progress***

ZABOROWSKI, Robert (University of Warmia and Mazury, Poland), ***Multilayeredness of anticipation***

RIZZO, Gabriele (APF & Leonardo), ***Convergence, complexity and exponentiality: irresistible forces, irreconcilable antagonists***
